

LOCAL RULE

Use of Motor or Battery Powered Buggies

1. Wherever possible keep to and use appropriate designated driveways and paths. Persons operating motorised buggies are requested to respect the course at all times. This includes travelling off fairways where ever possible, avoid patches on fairways where there is minimal grass and do not driver through thick grass, standing water or areas where it is obviously excessively wet.

2. As part of respecting the course, buggies must not be driven or parked within 5 metres of greens and must not be driven over tee blocks, or greens.

3. The restriction of members using a motorised or ride on buggy has been revoked at a Match Committee meeting 2016
